

Use of Tents in Osaka Tennoji Zoo

Usage standard is as follows:

【Examples of available tents】

- Tents that do not require pegs or ropes.

*Please take measures against wind with your luggage, etc.

【Examples of unusable tents】

- Tarp that needs to be secured with ropes.
- Tarp/Tent that is easily blown away by wind.
- Tents that need to be secured with pegs.

【Other notes】

- Please set up so as not to obstruct the passage of other visitors.
- Please refrain from setting up on windy days or during busy hours.
- Please refrain from setting up except for heat protection.
- We can not do not take any responsibility for any problems related to tents.
- Tents must be kept open at all time.

Please check the next page for areas where tents can be used.
